In English adjectives have no plural forms. However, in Spanish it is different. Adjectives must be made plural when describing a plural noun. For example:

(singular) El muchacho es **aplicado**. (The boy is diligent.)
(plural) Los muchachos es **aplicados**. (The boys are diligent.)

(singular) La muchacha es **simpática**. (The girl is nice.)
(plural) Las muchachos es **simpáticas**. (The girls are nice.)

The plural of adjectives, like the plural of nouns, is formed by adding **-s** if the adjective ends in a vowel, or **-es** if the adjective ends in a consonant.

(singular) simpática (nice)
(plural) **simpáticas** (nice)

(singular) azul (blue)
(plural) **azules** (blue)
